

Governor's Election Is Not to End With the Primary

STROKE IS FATAL TO JOHN M. WHITEHEAD

INDEPENDENTS TO BE IN FIELD NO MATTER WHO WINS PRIMARY BATTLE TO BE INDECISIVE ON GOVERNORSHIP.

SPLIT IN RANKS Congressional Contests in First and Seventh Districts Are Hot.

(BY ASSOCIATED PRESS) Madison—Wisconsin voters today were casting their ballots as the climax of one of the state's most unusual primary election campaigns. The outcome of today's election, according to officials and political leaders, will have a decided bearing on the state's future political lineup and factional contests.

With no contest on for United States senator, the outstanding race is that for governor. Three republican candidates cast their lots with the voters and asked for endorsement. They are: John J. Blaine, seeking reelection for a third term; George F. Comings, twice lieutenant governor; and A. E. Hirst, former state highway engineer.

Independent Candidate Regardless of the outcome of today's primary, it is freely admitted that the contest for the governorship will not end today. Should Governor Blaine be nominated, it is expected that at least one of the other candidates will go into the general election as an independent. On the other hand, should the executive lose the nomination, his followers say that he will probably seek reelection as an independent.

All three gubernatorial candidates have covered the state in their drives for votes. All have conducted strenuous campaigns and made strong bids for votes. The campaign has been featured chiefly by more or less open attacks on the records of the candidates by opposing candidates. Governor Blaine's administration, probably has come in for the most outspoken criticism.

Not only has his record been criticized by his opponents, but several other political leaders have openly attacked him.

HIRST IS PRAISED, BLAINE ASSAILED BY F. E. MCGOVERN

Milwaukee—The entry of A. E. Hirst into the race for governor of Wisconsin was referred to as a breath of wholesome, fresh air to replace a stilted and stultifying by pressmen, politicians, and the public. The result, with the result that "the morale of the civil service has been demoralized."

"As a mere politician," Mr. McGovern said, "Governor Blaine has been successful. He has sounded every chord, he has played on every string that might attract votes to himself. He has inflamed every passion and aroused every prejudice so far as his limited ability permits."

Mr. Hirst was described as a man splendidly qualified for the governorship through his natural ability, education and practical experience.

PRINCE OPENS DAY AT POLO

(BY ASSOCIATED PRESS) SYRACUSE, N. Y.—The Prince of Wales began the day with a strenuous game of polo at one of the numerous private fields near his temporary home, following a luncheon party given in his honor by Harold G. Pratt in Glen Cove.

There Is No Market for "Castles in Spain"

But Mrs. Palmer, 427 Logan street, had no trouble in renting her light housekeeping rooms after the fact listed them with the Gazette's Alphabetical Classified Section.

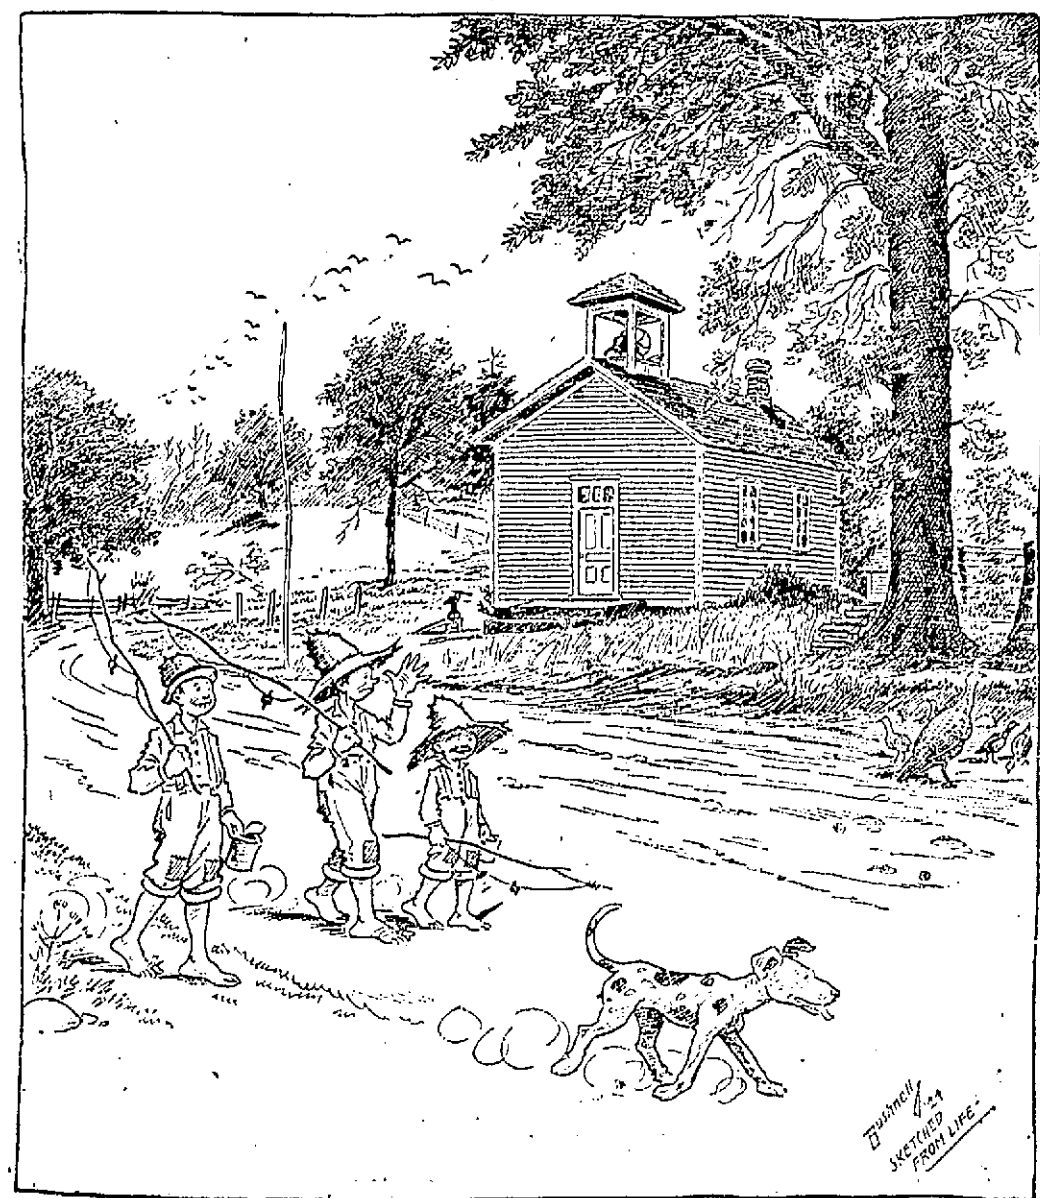

Her ad ran for only one day. The next day she had made satisfactory arrangements with a new tenant.

"I am more than pleased with the results," said Mrs. Palmer, "the rooms were rented before my paper was delivered to me."

No matter where your house is located, if it can be rented, it will do so.

Just call 2500 and ask for an ad-taker.

COOLIDGE NEED IS A REPUBLICAN CONGRESS

IMMELL WITH THREAT AGAINST GUARD FOR AIDING DEFENSE DAY

(BY ASSOCIATED PRESS) Madison—Drastic action against officers of national guard units who authorize or permit guard companies to take part in Defense Day Celebrations on Sept. 13, is threatened by Adj. Gen. Ralph M. Immell, it was learned today.

The stand of the adjutant general resulted from the refusal of Governor Blaine to order state guards to participate in Defense Day observances and to issue a proclamation designating the day.

Adjutant General Immell recently announced that no national guard units could participate in the ceremonies of the day without authorization from the state department. Following this declaration however, reports received here indicate that several units over the state are planning to take part in the affair.

Should any guard officers call out their units or permit them to take part as a unit, it is understood that adjutant general will take immediate steps to relieve the officers of their commands. Such action would be taken, it is stated, immediately upon notice that the guards had participated.

Governor Blaine is reported to be one of the three or four governors who declined to designate the day. Several cities in Wisconsin are planning observances, however, according to information received here.

Warships Sent to Scene of Trouble

(BY ASSOCIATED PRESS) Washington—Four American warships have been ordered to crucial Chinese centers of disturbance, according to a radiogram received by the navy department from Admiral Washington, commander-in-chief of the Asiatic fleet.

Admiral Washington said he had sent the destroyers Tracy, Burt and Smith, Thompson to Shanghai to assist in preserving order, and the cruiser Sacramento to Amoy.

The Sacramento carries a detachment of marines.

HOLIDAY BRINGS RAIN, FOR FIRST TIME IN 8 DAYS

And it rained! For the first time in eight days, a record for the summer, rain started falling at 10 a. m. Monday, to pit a crisis in Labor day outings. The forecast is for continued showers which possibly may continue through Tuesday.

The temperature Monday was 65 degrees. It held at 75 Sunday. River continues to go down and now is 31 inches above normal.

ARMISTICE PLEA FAILS NEUTRAL ZONE SOUGHT

(BY ASSOCIATED PRESS) Shanghai—Conferees among leaders of the opposing Chinese factions had failed Sunday to effect an armistice. Commercial and financial interests of Shanghai were endeavoring to induce both sides to designate a neutral zone surrounding Shanghai.

By DAVID LAWRENCE Copyright 1924, by the Janesville Gazette—Special Correspondence to the Janesville Gazette.

Washington—President Coolidge's homecoming means the beginning of his active campaign to retain the office to which he succeeded a year ago.

The scrutiny of the president is settled. To all the democratic cry of corruption and irregularity his answer is simple—he was not responsible for what happened before he took the oath of office. He stands on his own record of a year. Do his opponents claim he tolerates irregularity or corruption or that he proved that in the last year he has identified himself in any way with the scandals exposed by senate investigating committees. That's the backbone of his defense against criticism.

As for his policies, they too have been unfolded in addresses to congress and the country. In what respect have they failed? Do they represent a constructive purpose, or a disturbing influence in the nation's life? Has the country gone to rack and ruin under his administration? Is not the past an indication of what can be expected for the future?

Thus does the Coolidge campaign (Continued on page 6)

JANESVILLE FOLK Bruised in Crash

Fulton—Two cars collided on the east bridge over the Yahara river at Fulton village, Sunday, at 5:30 p. m., with slight damage.

The occupants of one car, Mr. and Mrs. Arthur Thorpe, West Park, and Mr. and Mrs. W. D. Van, Janesville, suffered a severe shaking up and Mr. Thorpe was bruised.

The occupants of the other machine, Frank Handke and mother of Fulton, were shaken up. The impact broke the windshield on the Handke car and mutilated the fenders and spring the front axle on the Thorpe car.

SEEK GEMS IN McCOY CASE

(BY ASSOCIATED PRESS) Los Angeles—Federal and county investigators working on the McCoy jewel mystery today were preparing to broaden the scope of their search for smuggled gems, believed to have been in the possession of Mrs. Theresa McCoy, shot to death here Aug. 12. Last, so as to take in all safety deposit vaults in Los Angeles.

KENOSHA MAN IS KILLED IN CRASH NEAR RICHMOND

CAR SMASHES INTO CULTIVERT ON JOHNETOWN ROAD SUNDAY.

TWO ARE INJURED Attempt to Change Drivers Sends Auto Hurting to Destruction.

(Special to the Gazette) Kenosha—While attempting to change drivers while the car was moving, three Kenosha men crashed into a culvert near the Richmond church, where highway 10 detours across county trunk A, falling one of them instantly and injuring the other two.

Clyde G. Brown was the man killed, while the other two were cut and scratched and in a semi-conscious condition.

The men, Clyde G. Brown, Robert K. Williams and Robert C. Goetz, employees of the Standard Oil company at Kenosha, were returning to Kenosha after a trip to Jefferson, about a p. m. Sunday.

They were picked up by Otto Stark, who was coming to White-water, and Deputy Louis Hummel brought the dead man and his two companions into Whitewater, where medical aid was given them. It was a half hour before the men were able to recover sufficiently to give their names.

The relatives of Mr. Brown in Burlington, N. J., have been notified. Mr. Williams also is from that place.

An inquest was to be held Monday, the case being held pending the outcome.

MANY CONTESTS TO ATTRACT VOTE IN PRIMARY, TUESDAY

CANDIDATES IN TUESDAY'S PRIMARIES

Candidates endorsed by Women of Rock County FOR COUNTY OFFICERS: GEORGE W. BLANCHARD, Sheriff; CHARLES BURTON, District Attorney; GEORGE S. GEFES, Councilman.

County Officers Club selections: CHARLES H. FENNIG for congress; A. R. HIRST for governor; DENRY JOHNSON for state.

FRANCIS DAVIDSON, secretary of State.

Politics will reign Tuesday—primary day—when southern Wisconsin will go to the polls to vote on state and county candidates.

Weather conditions will determine to a large degree the vote in Rock and adjoining counties. Good weather will bring out a large vote in the cities but in the country, a bright, clear day may have a tendency to reduce the vote. It is (Continued on page 5)

PREPARE FOR LOEB-LEOPOLD CASE APPEAL

(BY ASSOCIATED PRESS) Chicago—While Judge John R. Caverly is pondering the evidence, State's Attorney Robert E. Crowe is preparing for the decision, Sept. 10, which will sentence Nathan Leopold Jr. and Richard Loeb to prison or the gallows.

If hanging is the verdict, the state's attorney must be prepared to fight a long battle against appeal, he said, and he is getting ready.

A hanging decision would probably result in application to the state supreme court for a writ of error, which would mean added months of delay and new hearings, attorneys point out.

LA FOLLETTE BROADCASTS

Washington—Senator La Follette, independent presidential candidate, today has a labor day message for the voters of the country, prepared for delivery by radio. Arrangements called for the linking with telephone lines of dozen broadcasting stations, for the use of "loud speakers" at various labor gatherings and for him to begin speaking into a microphone at the studio of Station WQAT here, at 3:30 p. m., eastern standard time.

DAWES PLAN IN OPERATION

(BY ASSOCIATED PRESS) Paris—The reparations commission today officially declared the Dawes plan in operation. The plan became effective at noon.

Gazette Issued at Noon Today

In accordance with long established custom but one edition of the Gazette is issued Monday and that went to press at noon. The employees of the Gazette will have a half holiday and the offices will be closed.

A bulletin will be posted when the editorial race is concluded at Belmont park. But the Associated Press wire will cease to be operated at noon.

THROWS BODY OF SLAIN PAL UNDER TRAIN

Great Bend, Kan.—Harry Willis, 19, confessed Sunday, according to his mother, that he hurled the unconscious body of Harold Watson of the city, 62, before a speeding passenger train after the youth had fought over 30 Willis said was stolen from him by Watson while he slept. County Attorney Weber said the youth confessed he had served two terms in the Ohio reformatory for larceny.

Willis and Watson had been working with a threshing crew at Olathe, near here, and had a fight in which Watson was knocked unconscious. Perplexed as to what to do with the body, Willis told authorities he hurled it before the train.

Willis was out on the legs when the steps on the engine struck him while he was throwing Watson's body on the track.

PRATTS WIN IN A. M. Pittsburgh—The Pratts won the morning labor day game from the Cubs, 5 to 1.

World Aviators Alight on North American Shores

Ice, Pickle, Labrador—(Radio via U. S. S. Richmond)—After five months and fourteen days spent in circumnavigating the world and searching new air routes to chart for the benefit of future air navigation, the American aviators, Stowell Smith and Erik Nelson, arrived this afternoon in waters of the North American continent.

Completing the difficult North Atlantic crossing with its many mishaps and delays, Smith and Nelson hopped from Iqaluit to Hamilton today, 572 miles across the strait, in eight hours and forty-nine minutes.

2 YOUTHS CHARGED WITH ARSON, THEFT

Highway Officials Believe Gasoline and Oil Thefts Solved.

A warrant for the arrest of Joseph Mooney and Lynn Matthews, Willowdale youths, charged with arson and theft, will be sworn out Monday by County Motorcycle Patrolman Merton Miller.

A Ford roadster owned by Mooney was destroyed late Sunday night when a house fire broke out. They were syphoning gasoline from a county highway tractor on the Willowdale road, became ignited. The tractor was only slightly damaged.

With the arrest of the two boys, County Highway Commissioner Charles E. Moore believed that a series of gasoline and oil thefts from county tractors will be disclosed.

The two boys were coming from Brookhead and, according to Mooney, ran out of "gas" near Willowdale. They sawed the hose and started drawing gasoline from the tractor to the roadster. One of the boys lit a match to distinguish the nose more clearly. Almost instantly the tractor and car were in a mass of flames.

The boys managed to extinguish the tractor fire before serious damage was done.

They then attempted to steer their car down the road to a nearby stream. The gasoline in the tank exploded and the machine was ruined. Neither of the lads was injured.

Mooney denied all previous thefts when questioned by Commissioner Moore and Officer Miller. The pair will be arraigned in municipal court, Wednesday morning.

TOKIO MOURNS ITS DEAD ON ANNIVERSARY

(BY ASSOCIATED PRESS) Tokyo—Tokio's two million residents today, on the anniversary of the great earthquake, mourned their 100,000 dead.

From earliest dawn an air of sorrow and uneasiness pervaded the city; mourning flags were displayed and wreaths, the Buddhist emblems of mourning, were seen everywhere.

Prominent Figure in State Politics Dies at Age of 72

OUTSTANDING MAN IN PUBLIC LIFE

Hon. John Meek Whitehead died at 8:30 o'clock Sunday evening at his home, 636 Gayfield avenue, passing into the twilight and beyond life's curtain like one who drops into deep and lasting sleep. He was 72 years of age.

With him at the time of his death was his wife, Mrs. Adeline Thayer Whitehead and his daughter, Mrs. A. C. Hough. He had come home from Putnam Bay Friday afternoon at 4:15 p. m. He had left for Putnam Bay last for a trip to Putnam Bay and Randolph, to attend a meeting of the Putnam Bay Association.

LAWYER TO MEET

A meeting of the Rock County Bar association has been called by Secretary S. H. Thompson, Janesville, to be held in the court room, Tuesday at 2 p. m. The association will pass resolutions memorializing and make plans for attending the funeral of John M. Whitehead.

memorial commission, of which he was a member, and has been from the origin of the commission. He went from Chicago with Admiral M. H. Sigsbee, also a member of the commission.

He was ill at Putnam Bay and had dizzy spells and again on returning home complained of such spells. He went to his office Friday afternoon and home, sleeping well. Friday night, Saturday morning he again insisted on going to his office but was convinced that he ought to be in bed at home and went to bed. At about 8 p. m. he was apparently sleeping when Dr. Charles F. Fothergill discovered that he was unconscious from a brain lesion which had evidently caused paralysis. Later in the afternoon he was taken to the hospital, where he died at 8:30 p. m. Death came at 8:30 p. m.

The funeral will be held Wednesday at 11 a. m., probably at the Congregational church and interment will be in Janesville at Oak Hill cemetery. The Rev. Frank Sawyer, pastor of the Congregational church, was telegraphed for at his summer place in Wallingford, Vt., to conduct the services, and this morning he replied that he would return for the purpose.

Thus passed away one of the foremost citizens of the state. In the recently published history of Wisconsin, he was mentioned as a Senator Whitehead. From it is disclosed these facts in regard to a long and busy and happy life.

The Story of a Busy Life

John M. Whitehead has exerted a deeply felt influence in three different channels, law, politics and religion. He was recognized by one of the leading lawyers of Wisconsin, where he has practiced since 1883. During the years of his public service as a politician he was a distinct force in moulding public opinion and bringing about measures of highly beneficial to the welfare and progress of the state of Wisconsin. A deep seated faith in the fundamental elements of religion remained with him from his youth, and he gave to his life this faith in the highest, best, state and national activities to which he gave freely of his time and energy.

Born in Illinois

John M. Whitehead was born on July 29, 1852, in Illinois, of sturdy, substantial stock, his parents being Jacob and Elizabeth Ann Paley Whitehead. Through his paternal grandfather he is of English descent.

He was of Scotch-Irish descent. The oldest of 10 children, six boys and four girls, his early youth was spent on his father's farm, near Hillsboro, Ill., where he was established the foundation of the remarkable health which enabled him to lead a life of such unusual activity. He attended the Hillsboro academy, an anti-slavery school, standing in the early days of Illinois; from there he went to Walnut Creek, Indiana, and then to Williamstown, Mass., where he completed his preparation for Yale.

Fixed on Yale

As a boy he had his heart firmly fixed on Yale as his alma mater and his ambition was fulfilled when he received his degree of A. B. from that famous old college in 1877. He completed his entire college course without having been absent from a single recitation.

After graduating from Yale Mr. Whitehead located at Chicago, teaching at Yarnwood for a year, then (Continued on page 3)

KILLED CRAWLING UNDER TRAIN: WIDOW GIVEN COMPENSATION

(BY ASSOCIATED PRESS) Madison—The state industrial commission has awarded compensation to a widow of a man who was fatally injured while crawling under a train on his way from work. The commission held that the man was still in line of duty when he was injured and that his wife was entitled to compensation.

If you missed the 1st chapter get a Gazette of Aug. 30-31 and begin right.

THE WEATHER

Mostly fair tonight and Tuesday; cooler tonight.

THIS IS NOT A POLITICAL ADVERTISEMENT NOR IS IT IN THE INTEREST OF ANY CANDIDATE THIS IS A CALL TO AMERICAN CITIZENSHIP

NATION OF MINORITY RULE—

This is a nation of minority rule. Twenty-seven million people fail to exercise the right of suffrage. It is time to begin to rule the nation by majorities. That is the foundation stone of the republic. Failure of a large part of those eligible to vote makes this minority rule possible. What are you doing about it? You know that Wisconsin is a great state with fine roads. It is not hard to get to a voting place but—

Do you think we vote in the state of Wisconsin with both a primary and an election?

ROCK COUNTY 11,032 SHORT—

Right here at home, what about it? In Rock county we have a total eligible vote of 24,303. In the primary election of 1922 we cast 13,271 total votes for senator candidates. Just a little over half the vote. At the minimum the county should cast 19,000 votes making all allowances for ineligibility from all causes.

HALF THE VOTE IN JANESVILLE—

What did Janesville do? In the primary election of 1922 there were 4,615 votes for all the candidates for the United States senate. That represented all the votes. How many persons in Janesville could have voted according to the citizenship census of 1920? Just 10,222. But less than half the number voted.

WISCONSIN HALF AT POLLS—

What did Wisconsin do out of its eligible vote of 1,341,981? The total vote cast for the United States senate, all candidates, was 519,717 at the primary and in the general election there was a total vote of 470,819, a still further drop. Why, Rock county with its 24,303 votes only cast a total in election of 7,985 for senator or less than one-third of the total vote eligible.

We have made this nation one of rule by minority by such frightful indifference to the right of citizenship.

MENACE TO REPUBLIC—

It is the greatest menace right now to free government. What are you going to do about it next Tuesday and again on November 4? We hear good citizens, at least they are so classed, cuss and discuss government when they are too utterly indifferent to help make government better by taking advantage of the God given right to pick and choose candidates whom they believe will best serve the public as its agents in office.

The way to stop minority rule is to VOTE. The way to become a citizen is to VOTE. The American entitled to vote but who does not vote has no advantage of the alien who might want to vote but is barred.

Will you go and VOTE Tuesday?

JANESVILLE KIWANIS CLUB

JANESVILLE CHAMBER OF COMMERCE

WHO CAN VOTE—

WHO MAY VOTE—Male or female citizens 21 years of age. You must have been in Wisconsin one year and in the election district ten days. To be a citizen means anyone born or naturalized in the United States. If you have no present intention of moving from the city or town in which you reside you are a resident. If an unmarried man boards in one precinct and sleeps in another the precinct in which he sleeps will be considered his residence and place of voting. If anyone is in doubt ask of the nearest polling place and you will be directed properly.

THE SICK AND ABSENT—

SICK AND ABSENT VOTERS—In order that all desiring to exercise the right of suffrage may do so and not lose a vote by reason of illness or absence on the day of the primary or general election provision is made for the voting of the sick and absent. If you are ill or any member of the family is ill and unable to vote though qualified the absent voter must apply to the city clerk, if a resident in Janesville, and the law provides that he may apply to the village or town clerk, or to the county clerk. In Janesville apply to the city clerk for ballots. The state and county ballots should be received from the county clerk. The ballot envelope carries an affidavit which must be filled out. This is done also in case of a sick voter. If you are sick ask a friend about it and have someone aid you in getting your ballot in. Or call the city clerk in Janesville first.

WHERE YOU VOTE—

WHERE YOU VOTE—You will vote in the precinct in which you have residence. In order to know where to vote you must know in what precinct you reside. Ask now before Tuesday and you will have that off your mind. The person across the street may live in another precinct, so it is well to ask the next door neighbor. Janesville has ten precincts. Each township has a voting place. Evansville and Edgerton and the villages of Orfordville, Footville, Milton, Clinton, have one polling place each for the primary. Beloit votes with each ward as a precinct. Find out on Sunday just where you vote and you will be all set. Vote early and you will vote quickly. Right after breakfast is a good time to go to the polls. There are not so many there. Vote on your way to work, if possible. The polls are crowded after supper in the cities. Polls are opened at 6 o'clock and closed at 8 at night. **BUT VOTE DURING THAT TIME.** Here is a list of the places where voters go on Tuesday to cast a ballot. Find out what precinct you are in and then go to the place scheduled here:

Tuesday, Sept. 2.

First ward, First precinct—In northeast room of city garage, directly back of city hall, entrance on Wall street.

First ward, Second precinct—In Stephenson's garage, directly back of 485 North Washington street, entrance on Mineral Point avenue.

Second ward, First precinct—In building owned by city on North Main street, at foot of Prospect avenue.

Second ward, Second precinct—In basement of U. B. church, corner Prospect and Milton avenues.

Third ward—In basement of public library, entrance on Water street.

Fourth ward, First precinct—In Coliseum rink building, 55 South River street.

Fourth ward, Second precinct—In Dean Ryan's garage, directly south of 315 Cherry street, entrance on Cherry street.

Fifth ward—In building owned by city on Holmes street, near Center avenue.

Sixth ward—In basement of new high school, entrance on South Main street.

Seventh ward—In Fred Green's garage, directly back of 717 South Main street, entrance on Wheeler street.

JANESVILLE LIONS CLUB

SCHOOLS READY TO OPEN TUESDAY

Teachers Meet Monday Afternoon for Conference in 1924-5 Policies.

Except for a few small details, preparations for the opening of the public schools on Tuesday morning are completed and the first day is expected to be carried through with even more than usual smoothness since all students, except those who are entering the junior high school for the first time, have had the opportunity to report to their new schools at 8:30 last night. The school year for this year begins the closing of school in June and will know exactly where to go. All will be ready to go to school at 8:30 for the first day of school, and 8:30 for the first day of school.

A meeting of the entire teaching staff will be held at the high school at 2 p. m. Monday afternoon. The general educational policy here will be outlined by Dr. J. O. Holt, who will also discuss the new curriculum. A copy will be placed in the hands of each student, and all will be urged to take their home as that which they must study and study hard. School officials are recommending that parents, if they can, do so, call for the booklets at the principal's office at the high school.

Avoiding Issue of Religion in Local Campaign

The religious issue has not been broached in this local campaign, except in the case of the late Mrs. J. H. Smith, who was killed last week when two letters have been sent out, both unsigned, one signed by "John Smith" and the other by "John Smith" without any identification of the writer as the late Mrs. J. H. Smith. The religious issue has not been broached in this local campaign, except in the case of the late Mrs. J. H. Smith, who was killed last week when two letters have been sent out, both unsigned, one signed by "John Smith" and the other by "John Smith" without any identification of the writer as the late Mrs. J. H. Smith.

WORLD AVIATORS ALIGHT ON NORTH AMERICAN SHORES

(Continued from page 1)

minutes, with a northwest wind, sailing in velocity from forty down to twenty miles an hour.

Although the speed of the two American planes averaged only six to eight miles per hour for the entire flight, there were times, according to Lieut. Smith, when they attained 120 miles.

Rebecca Wynn Welcome

They took off at 10:15 a. m. at 42nd eastern standard time, and reached the Tickle at 3:15 p. m. The coach of the navy's escort for the flyers, standing at attention at the Tickle, saluted the flyers as they landed. The flyers, who were in the plane, reported the passage of the flyers on almost perfect schedule.

Smith, the absolute aspect of the harbor, Labrador coast, empty of people except for a few fishermen and traders, the flyers met with a warm welcome on returning to the American mainland. When the flyers appeared, flying low above the rocky shore outside the harbor, the thronging fishermen, including black and white, gathered to the point, greeted the flyers with enthusiastic shouts of "Welcome" and "Hello." The flyers, who were in the plane, reported the passage of the flyers on almost perfect schedule.

They, the flyers, who were in the plane, reported the passage of the flyers on almost perfect schedule.

COMINGS SPEARS FOR LA FOLLETTE AS LINCOLN SUCCESSOR

(By Associated Press)

Superior—An appeal for the election of Senator Robert M. La Follette as president was made here Monday by George F. Comings, Republican governor of Wisconsin and candidate for the governorship. Comings declared that the only way the election of La Follette could be made a reality is through the formation of a third political party, headed by Senator La Follette.

The address was at the Labor day festivities in Superior, and Comings, under the direction of the La Follette national campaign committee, Comings did not refer to the state campaign although he goes before the voters Tuesday seeking the republican nomination for governor.

ILY DELEGATES HOME FROM CAMP

Representatives of the local Ily club, Misses Lillian and Arthur Reinhardt, who have been attending the Ily club camp at Phantom Lake, N. M., C. A. camp during the past week, returned late Sunday. The camp was the last for this year, and the camp will be closed. Following the camp, the delegates will be home from camp.

Bread Prices in Jump; Janesville Market the Same

Though prices on bread have advanced in several cities in this section during the past week, no amount of the report raised in wholesale markets on flour and other items used in manufacture, Janesville has not yet been affected.

A one-cent advance taking place in some Madison stores Friday was the first felt in this state, though a similar rise was made in Rockford earlier in the week.

There will be no change here for at least another week. If at all, bakers declare. They admit that the high prices on wholesale products will mean a change before long unless wheat and flour take a sudden drop. Most of them have contracted for supplies which will last for some time.

Flour is the principal item which will make the necessary change, and retail prices on good grades have come up as much as 75 cents per sack within the past month, though the difference in wholesale trade is less marked.

START WORK ON 1,000-FOOT MAIN

Storm Sewer for Richardson Street Begun—Plan Work in Park.

With the completion of work on Sharon street, the city's storm sewer construction crew has started operations on Richardson street, where 1,000 feet of each sewer will be laid from St. Mary's avenue to Sherman avenue. The work arrived for the job and work is expected to be completed early this month.

The Richardson street sewer will connect with the large concrete storm sewer which was laid by the city last year on St. Mary's avenue from Garfield to Caroline. At Caroline street the main empties into a ravine. Eventually the line will be extended to the river.

With the main portion of the storm sewer program completed, Street Engineer Joseph Laugel is expected to assign a crew to Richardson street this week to improve the roadways. The park work was deferred until late in the season in order not to disrupt the storm sewer organization. All preliminary work, such as clearing, stumps and providing drainage, has been done.

The department of public works is serving second notices for weed cutting where the growth has again become obstructive after having been cleared away once this summer. Property owners are urged to keep weeds cut and thus avoid necessity for the city doing the work and charging the cost to them in the tax roll.

WOMEN STANDING FIRM FOR WOELFFER

Jefferson—Efforts to divert the women's vote from August Woelffer candidate for sheriff, endorsed by the local bar, have been made at the last minute by the circulation of stories which have been investigated and found to be false by Mrs. Fay, former head of the W. C. T. U., which organization is taking an active part in the campaign to get good officials for the county. The women are standing staunchly by Mr. Woelffer.

Five People Started "Back to the Farm"

That was advertised in The Gazette's Real Estate columns the other day, but four of them are now looking for other farms to inhabit.

The lucky man got a farm of 160 acres with a house and other good buildings, at a remarkably reasonable rent.

But maybe the really lucky man was the advertiser, John Bradt, of Janesville, Route No. 3—because he received five replies and rented the farm the third day his ad appeared.

Results? Oh, man!

When YOU have a property to rent—give 2500 a ring.

Forehanded Buying Versus High-Handed Spending

When, in the course of human events, it becomes necessary for an individual to decide whether he intends to end his days in ease and comfort—there are two courses open to him:

Forehanded buying and the ease comfort he craves—or high-handed spending and the dissipation of future security.

Those two courses exactly mark the difference between Prosperity and Penury.

The wise course is the easy course. One may follow the A-B-C Classified Opportunities regularly and secure the luxuries as well as the necessities of life at prices which carry substantial savings. Classified offers are invariably economical offers—and the classified section is the logical path to Prosperity.

Which course do YOU elect to follow?

Always Different—In Opportunity

COUNTY THIRD IN AUTOMOBILE FEES

\$200,000 Paid by Rock County for Licenses in First Half of 1924.

The total amount of fees collected in Rock county during the first half of 1924, ending June 30, 1924 from automobile licenses is \$201,552.25, according to a report issued by Fred R. Zimmerman, secretary of state. The county will receive \$45,587.50 as its share of the appropriation fund.

Rock county ranks third in the amount collected being exceeded only by Milwaukee and Dane counties respectively. More than \$100,000 was collected in Milwaukee county and \$74,000 in Green county. Jefferson's total reached \$113,802.20.

The amount apportioned to Watworth, Green and Jefferson counties respectively are: \$25,588.99, \$20,012.50 and \$23,887.25.

The several counties of the state will receive a total of \$1,615,448 from the total fees collected, the report continues. This amount is 25 percent of the total net fees collected during the fiscal year which ended June 30.

The total amount of fees collected during the period reached the huge sum of \$6,712,227, an increase of 45 per cent over 1923. Fees of administration costs, \$2,000,000, and \$2,000,000 more than before, the greater part of which is due to the large amount of work necessary by the new law.

A total of 455,813 cars were licensed during the period. During this time 429,631 were pleasure cars, 43,778 trucks and tractors, 3,884 motorcycles, 5,588 dealers, 2,712 taxicabs and 1,000 vehicles and 3,116 registrations.

PALMITER IS GIVEN FIRST ON GLADIOLUS

An exhibit of gladiolus blossoms displayed by E. K. Palmer, 1502 Highland avenue, won first prize in the class at the state fair in Milwaukee last week. The Palmer display consisted of 400 blossoms.

The exhibits of Mr. Palmer in the gladiolus class have taken many prizes at fairs within the past few years.

Last year he was awarded second prize at the state fair and for the past two years has taken first prize at the Milwaukee fair for the past three years.

Return from Camp—Janesville boys who have been attending the Ily club training camp conducted at Phantom Lake this week, will return Monday, in time for the opening of school Tuesday. Ily club activities here are expected to get under way next week.

New Stretch of No. 20 in Green County Is Open

With work aided by especially good weather, highway building in Green county progressed rapidly last week. Concrete on highway 12 probably will be open for traffic by the middle of September.

The newly laid concrete on highway 20 from Hurdhead to the Rock county line was opened to traffic last week. A quarter of a mile has been poured on the stretch near Judo.

About two weeks' work remains to be done on highway 61, northeast of Monroe, before the mixer can be moved to the west end of the job. Paving is now proceeding towards the Junction house.

About a mile and a half remains to be poured on highway 81, in the northwest part of the county, while three weeks' work remains on the Mount Vernon road, near New Glarus. Graveling work on highway 55 is now being completed.

2 FIELD WORKERS NAMED FOR BLIND

Young Woman Appointed for Field Work Under Director Parks.

W. U. Parks, director of the Agency for the Adult Blind, with headquarters at the Wisconsin school for the blind in Janesville, announced Friday the appointment of two new field workers by the state board of control. They are: Miss Stella Hamilton, Milwaukee, and Miss Cassandra Carr, Eau Claire. Both are blind.

Miss Hamilton took regular high school work and later completed a course in the Wisconsin school for the blind. She then took industrial and handicraft work at the state school for the blind.

Miss Carr graduated from the Wisconsin school for the blind and later returned to take special handicraft work.

Both are well qualified for the work. They will travel throughout the state, visiting homes of the adult blind, doing field work, teaching and making placements. Miss Hamilton will work in the Milwaukee district, while Miss Carr will have headquarters at Eau Claire. It is expected two additional field workers will be appointed later.

GOITRE TREATMENT TO BE CONSIDERED

County Health Committee Will Decide Sept. 6 on Year's Program.

The question of whether the proposed iodine treatment for simple goitre will be provided for the rural school children through the county regular meeting of Rock county nurse, will be considered at the next health committee, Sept. 6.

According to printed matter issued by the state board of health, Wisconsin children develop a form of goitre which may be prevented by the use of iodine. It is claimed that the prevalence of this form of goitre in Wisconsin and other states of the Great Lakes basin is due to a lack of iodine in the water available for drinking and cooking purposes.

The thyroid gland is unable to function properly without a certain amount of iodine and when iodine is absent, the gland tends to enlarge and this condition leads to other more or less serious physical development. The normal development of boys and girls is said to be interfered with in many instances. The condition is more prevalent in girls than boys.

The treatment proposed by the state board of health consists of the administration of three grains of sodium iodide in the drinking water once each day for a period of two weeks, each spring and fall.

This treatment has been given in the schools of Akron, O., for some years past and it is claimed that no single normal girl taking the iodine has developed goitre. Among those not taking the treatment, 27.6 per cent developed goitre. Goitres developed before the treatment was begun disappeared in over 60 per cent of the girls after taking the iodine. The treatment is not administered

WELSH IS AGAIN Trustee of Elks

Thomas E. Welsh, Janesville, was re-elected a trustee of the Wisconsin Elks at the state convention of the order in Milwaukee Saturday. Superior was chosen the next convention city.

Charles L. Dwinell, Waukesha, was elected president.

Other officers include W. Holland, Superior, and J. E. Dittman, Manitowish, among the vice presidents; A. J. Horlick, Racine; Knute Anderson, Eau Claire, and Dr. J. H. Wells, Rice Lake, re-elected trustees.

HIKE IS FIRST ON PROGRAM FOR BOYS

As the first of the fall activities of the Y. M. C. A. boys' department which will commence its regular program with the opening of school Tuesday, a hike for all boys will be given next Saturday, according to John Tush, boys' work secretary, who has returned from his month's vacation. The official opening of the boys' department will probably be on Wednesday night after school.

START REMODELING AT WOOLEN MILLS

Extensive Improvements Being Made on Stock Room.

The stock room of the Rock River Woolen Mills at Monterey is being reconstructed in order to bring that portion of the plant up to the same standard of the rest of it. This part is the oldest and was in need of repairs. A new brick wall, new floor and new roof are being built.

The interior of the new portion of the building is being repainted. The work is being done during the afternoon. Part of the plant is running night and day and part during the day and part of the night. Within two weeks, according to J. J. Kautz, manager, the entire plant will be back on the day and the night shifts. Two hundred and fifty men are now employed and 20 will be added.

What, Why, When, How, Where And Who?

Keep six honest serving men:
 They taught me all I know:
 Their names are WHAT and WHY and WHEN
 And HOW and WHERE and WHO.

Right here in Janesville there is an honest "serving man" whose special duty is to tell everyone "What, Why, When, How, Where and Who?"
 It's the Gazette A-B-C Classified Section!
 People who let the classified section teach them all they know about Opportunity, Success and Prosperity—know enough about these important subjects to pass as authorities.
 You, too, can pass as an authority on Opportunity—provided you don't miss up the A-B-C Classified Section!
 Read it today—and every day!

COUNTY JUNIORS WIN FAIR HONORS

Prospects Bright for Having Economics Terms in 1925 Expo.
 By FLORENCE STONE HYND
 Rock county was well represented at the state fair with Junior agricultural club entries that won worthwhile recognition. Girl members of Junior livestock clubs carried off quite an array of prizes but Rock county was conspicuous by its absence in the home economics club section.
 The reporter talked with women leaders and girl exhibitors in this section Friday afternoon and when it was learned that she hailed from Rock county, the universal comment was, "Oh, yes, your girls made a good showing in the livestock club work, but how does it happen that you aren't doing any home economics work?"
 It was with great satisfaction that the reporter was able to tell in reply of the splendid work done this past year under the leadership of Mrs. Lloyd Porter and Mrs. Hubbard Stark and by a number of girls working with women leaders.

SPANISH SOLDIERS TIRED OF FIGHTING; SEEK MOOR PEACE

Although they outnumber the tribesmen, Spanish soldiers are tired of struggling with rebellious Rifis in Morocco, and peace negotiations are being conducted with Abdul Krim, Rif leader.
